Adventure Camp 2010

August 2-5

9:00 a.m.—3:30 p.m.

Decoding the Mystery of Life! The foundation for a life-long faith!!!

Journey with us as we travel to the country where Jesus first grew up. Sun. Sand. Mummies. Sphinxes. Pyramids.

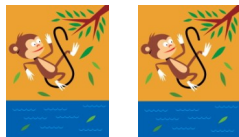

Amidst this exotic location and ancient civilization, we will tackle some of the

most mysterious and intriguing questions known to man:

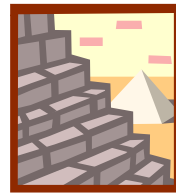

- Did we come from ape-men? (“They can’t make a monkey out of me!”)
- Are people equal to animals? (“Fearfully and wonderfully made.”)
- Do our lives have a purpose? (“What I really want to do is live my life for you!”)
- How can I spend eternity with Jesus, the Creator? (“The Case for Christ”)

Let your kids “join the caravan” for the ride of their lives!!!

Memory Verses: Genesis 1:27, Psalm 139:14, Romans 6:23, 1 John 4:7, Ephesians 2:10
