PACK 4 CUB SCOUT UPDATE

Pack 4 remains extremely active, and yes, there are still between 40 and 42 little boys that are in attendance on Tuesday nights. We have lost a few but gained some. January, February, and March brought opportunities for Camp-ins at the Catawba Science Center for all age groups. On March 31, rank badges were awarded for 38 members of the pack. So yes, on any given Tuesday night, the education building is literally filled with tigers, wolves, and bears!!

March and April were spent earning their age appropriate religious award. And May will give the newly ranked Webelos a chance to have a "real" campout with Troop 4 during their Spring Camporee. Pack 4 is eager to please with any assignment so they are currently leading the Two Rivers District with the highest number of sales of the 2009 Thrifty Scout Card fundraiser.

Saturday, April 18 was spent by several pack members at Cub World located at Camp Bud Schiele learning about BB gun shooting as well as archery. After sitting through 4 safety station lessons, the cubs were most anxious to arrive at Stations 5 and actually shoot at a target. Lunch was spent around the lake wondering why other cubs were catching the fish and Pack 4 cubs were not. Since little boys need activity, fishing was quickly replaced by worm hunting in order to encourage the fish to come closer to their hooks.

As you can tell, Pack 4 seems to be a success and is definitely an adventure at every turn.
